

Fees

The fee for participation in the ATP run depends on the type of participation and is listed in the table below.

Participation type	Fee (Euro)
EuroDOCSIS only	10000
EuroPacketCable only	10000
Mixed EuroDOCSIS/EuroPacketCable	10000
EuroDOCSIS and EuroPacketCable	20000

Note: 1. This fee is not a "testing" fee and does not entitle the vendor to receive a formal test report.
2. Cable Europe Labs reserves the right to vary these fees in the future.

If the same product that participated in the ATP run is submitted to certification/qualification testing in the same Certification Wave, a reduction in the submission fee for testing may apply. The reduction depends on the type of submission to the ATP run and the type of submission to certification/qualification testing. The table below describes the reduction.

Participation type in ATP run	Reduction in submission fee (Euro) when submitted for EuroDOCSIS certification/qualification	Reduction in submission fee (Euro) when submitted for EuroPacketCable certification/qualification
EuroDOCSIS only	5000	5000
EuroPacketCable only	0	5000
Mixed EuroDOCSIS/EuroPacketCable	5000	5000
EuroDOCSIS and EuroPacketCable	5000	10000
