## B. Cancellation policy

Once the Admission Application Forms are received by Cable Europe Labs, an invoice will be issued and has to be paid. Cancellation is possible until the start date of the testing, but the submission fee will not be refunded. The paid fee will be subtracted from submission fees in future Cable Europe Labs Certification Waves.

Cancellations MUST be notified by e-mail to Cable Europe Labs and Excentis ([ecsubmission@excentis.com](mailto:ecsubmission@excentis.com)) before 00.00 CET on the start date of the testing, using Part 5 of the Admission Application Forms. A signed version MUST be sent by fax to +32 9 329 31 74.

## C. Shipping cost

All submitted products MUST be delivered free of charge to Excentis, Gildestraat 8, 9000 Ghent, Belgium. Return shipments are also to be paid by the vendor.

## D. ATP run discount

In case a product is submitted into a certification wave, and this product also participated in the ATP run immediately preceding this certification wave, then a discount of 5.000 Euro will be applicable to the certification wave fee.
